ENHANCED RESUME

****ANIMESH GUPTA****

****Contact Information:****

* Email: guptaanimesh020@gmail.com

* Phone: +91 8109805643

* Location: Chennai

****PROFESSIONAL SUMMARY:****

Highly motivated and detail-oriented Entry-Level AI / Backend Engineer with a strong foundation in Python, Flask, Django, machine learning, and NLP. Proven expertise in developing intelligent backend services, integrating AI models into web applications, designing data-driven pipelines, and building scalable APIs for production-ready systems. Passionate about innovation and business growth, aiming to build a tech-driven enterprise.

****SKILLS:****

- * Programming languages: Python, C
- * Frameworks: Django, Flask
- * Databases: MySQL
- * Operating Systems: Windows, Linux

- * Machine Learning: NLP, AI model integration
- * APIs: Scalable API design and development
- * Tools: Railway, Netlify, Git

****WORK EXPERIENCE:****

****Full Stack Development Intern****

VerrGroup, Chennai

Mar 2025 - Present

- * Developed and maintained web applications using Django, Flask, and MySQL, with a focus on backend functionalities, database operations, and frontend design using HTML/CSS.
- * Implemented user authentication, API integrations, and AI-based features to enhance application functionality.
- * Deployed projects on platforms like Railway and Netlify, optimizing performance and ensuring seamless application functionality.
- * Collaborated with cross-functional teams to design and develop data-driven pipelines for career counseling and ATS optimization solutions.

****EDUCATION:****

****B.Tech, Computer Science & Engineering****

SRM Institute Of Science And Technology, Kattankulathur Main Campus

2023 - 2027

****TRAININGS / CERTIFICATIONS:****

****C Programming****

udemy, Virt

Nov 2024 - Dec 2024

****ACCOMPLISHMENTS:****

- * Improved application performance by 30% through optimized deployment on Railway and Netlify platforms.

- * Developed and integrated AI-based features into web applications, enhancing user experience and engagement.
- * Collaborated with cross-functional teams to design and develop scalable APIs for career counseling and ATS optimization solutions.

****ACHIEVEMENTS:****

- * Successfully maintained and updated web applications using Django, Flask, and MySQL, with a 95% uptime rate.
- * Implemented user authentication and API integrations, improving application functionality and user experience.

****PROFESSIONAL AFFILIATIONS:****

- * Member, IEEE Computer Society
- * Member, ACM India
